No.808-16/3/11

To the Members

Dear Sirs,

**Necochea, Argentina –**  
**Customs' Requirement regarding Store List (Update)**

Members are referred to the previous Japan P&I News No.776 dated 15 October 2015.

Pandi Liquidadores S.R.L., our correspondent in Argentina, has kindly provided the Association with updated information about the submission of Store List at Necochea.

The Custom Authorities of Necochea port used to request all vessels to submit Store List written in Spanish, however, recently this requirement is no longer applied.

Therefore, vessels calling at Necochea are now able to make and submit Store List in English as they do at the other Argentine ports.

Note: As the situation had changed, we have deleted our previous Japan P&I News (No.739 dated 26 June 2015 and No.740 dated 30 June 2015) from the website.

Yours faithfully,

**The Japan Ship Owners' Mutual Protection & Indemnity Association**

Therefore, from now on, the store list declaration can be presented to the customs authorities in English language as applicable to all other Argentinean ports.
