To the Members

Dear Sirs,

Ice campaign at the Ukrainian ports

We have obtained the useful information on the captioned topics by our correspondent in Ukrainian, Dias Marine Consulting p.c. Please find the below message from Dias Marine.

/// Quote from E-mail from Dias Marine ///

The main Ukrainian ports are congested with ice and as a result Ice campaigns have been announced. Thus we kindly advise P&I clubs and Members to visit our web-site where they can find the updated information regarding ice condition at the Ukrainian ports. You can find the necessary information here: <http://www.dias-co.com/ice-condition>.

If any detailed information is required you can liaise with ship`s agents directly. Otherwise we can assist in this issue.

Also we will try to provide the updated photos of the current ice conditions.

We hope these will be of help to you with regard to the safe voyage.

Yours faithfully,

The Japan Ship Owners' Mutual Protection & Indemnity Association
