

IMB PIRACY REPORT

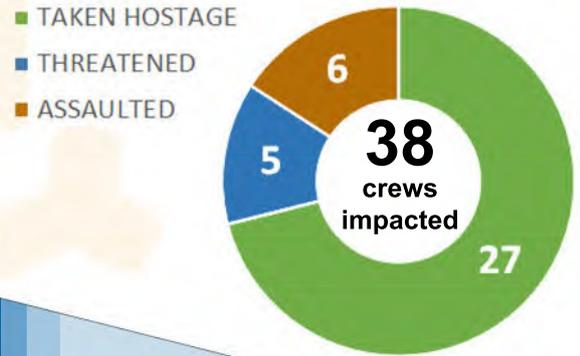

January - September 2022

Number of Incidents reported:

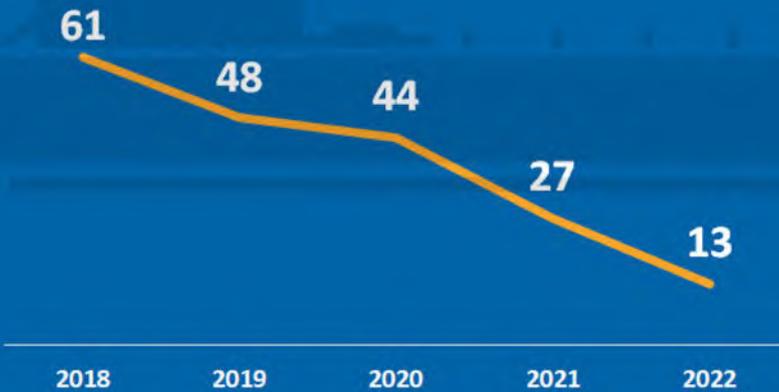

Impact on crew:

Gulf of Guinea Incidents:

Incidents:

The **IMB Piracy Reporting Centre** commends the efforts of the coastal authorities of the Gulf of Guinea resulting in a **positive and significant decline** in the number of reported incidents in the region.

While the decline is welcome, the **sustained and continued efforts** of the coastal authorities and the presence of the international navies is **essential** to safeguard seafarers and long-term regional and international shipping and trade.

95%
OF VESSELS ATTACKED
WERE BOARDED

Singapore Straits Reported incidents
