Reinstatement of War Risks Cover for the “Special Cover for Charterers”

Reference should be made to the Association’s circular [No.25-023](#) dated 2 March 2026, entitled “Notice of Cancellation in respect of War Risks for Certain Covers”.

The Association decided to reinstate the War Risks cover for charterers’ entries (“Special Cover for Charterers”) which were cancelled effective from 24:00 hours GMT on 5 March 2026 as per the aforementioned circular.

This coverage requires a separate application and the payment of an additional premium on a per-voyage and per-period basis. For further details regarding the terms and conditions, please contact your usual club underwriting contact.

Yours faithfully,
